An 18% gratuity will be added to a party of 6 or more. To help bridge the wage gap between front of the house team members and our back of the house cooks and dishwashers, we apply a 3% kitchen fee. The fee will primarily benefit all non-tipped members of our team in the back of the house. Under current MA state law kitchen employees cannot share in the restaurants tip pool. This charge is voluntary and, as our guest, you have the right to opt out of it. Simply inform your server and we will remove the charge. Thank you for your understanding and support.
